FINDINGS OF FACT

1. The Board of Osteopathic Examiners of the State of Arizona ("Board") is the duly constituted authority for the regulation and control of the practice of osteopathic medicine in the State of Arizona.

2. Steven B. DeWilde, D.O. (hereinafter, "Respondent") is the holder of License No. 2611 for the practice of medicine in the State of Arizona.

1 3. In 1992, the Board received information which
2 suggested that Respondent might have committed an act or acts of
3 unprofessional conduct as defined in A.R.S. § 32-1854, i.e.,
4 abandonment of patients and failure to make patient records
5 available in a timely manner.

6 4. Due to receipt of said information, the Board in
7 accordance with Board's statutory authority, i.e., A.R.S.
8 § 32-1855, initiated an investigation into the allegations of
9 unprofessional conduct concerning Respondent.

10 5. Correspondence from the Board, dated November 4,
11 1992 was sent to Respondent informing him that a Board
12 investigation was pending and the substance of the allegations
13 being investigated.

14 6. While the investigation was pending, Respondent
15 failed to timely pay for renewal of his Board license on or
16 before April 1, 1993; and, therefore, pursuant to Arizona
17 Revised Statutes § 32-3202, Respondent's license was suspended
18 on the date that it would otherwise expire or terminate.

19 7. At the Board's public meeting on September 18,
20 1993, the Board voted that a formal complaint be issued and
21 noticing a hearing on the allegations of unprofessional conduct;
22 and, thereafter, at the Board's meeting on November 19, 1993,
23 the Board authorized its executive director to extend to the
24 Respondent a stipulated Order for disposition of this matter in
25 lieu of an administrative hearing concerning the Board's formal
26 complaint.
